## Back Achy? Feel "All

RE you burdened from morning to night with a dull, nagging backache? Does any little exertion leave you "all worn out"? Does it seem sometimes as if you just can't keep going? You know then, there is something wrong. So why not find out what it is and correct it? Very likely it's your kidneys. Modern life with its hurry and worry, and lack of rest and sleep, throws a heavy strain upon

the kidneys. The kidneys slow up and that tired, depressed feeling and constant backache, are but natural results. You may have headaches and dizzy spells, too, and annoying kidn ey irregularities. Don't wait for dropsy, gravel, or dangerous Bright's disease. Determine to be well and stay well. Use Doan's Kidney Pills. Doan's have helped thousands. They should help you. Ask your neighbor.

## These Are El Paso Cases

Mesa Street

George E. Dorsey, painter, 504 Mean St., gave the following statements May 28, 1913: "When living in Franklin, Pa. a number of years ago, I was taken with kidney compilaint. The trouble was brought on by my inhalting the fames of tarpentine at my work. I would suffer from sharp twinger of pain in the small of my back, and the secretious from my kidneys could pass irregularly and anney me. Doan's Kidney Fills were recommended to me, and I used some was sufficient to cure me of that attack."

East Overland Street

Pers Dehlinger, our inspector, 1210 M. Overland Si, says. "I caught cold and it settled in my kidneys. I often had to put my hands on my hips to case the princ in my back, which never seemed to let up. I had such beenfaches. I thought I would go out of my mind and I would get so marvous I could handly control myself. At hight I would have to get up often on secount of the free action of my kidneys. Mornings I had a tired and languid feeling. I can truthfully say that Deam's Kidney Pills acted wonderfully. Two boxes entirely cared me. Being out in all kinds of weather as I have to be at my work doesn't affect me at all now."

North Florence Street

Mrs. Nate Murile, 618 N. Florence St., says:

"Mrs. Nate Murile, 618 N. Florence St., says:

"My lack bothered me severely. I had pairs
screes my loies and kidneys and it was difficult for me to sloop over. If I best ever, I
could hardly straighten up again. A member
of my family salvised me to usb Dum's Eddney
Fills, which I did, getting them at Ward's Drug
Rors. Decade entirely removed the pain from
my lack. I am always glad to recommised
anything that helps me. Therefore, I enduras
Dean's Kidney Fills." (Statement given June
15, 1212.

On April 7, 1812, Mrs. Murile adfect. T am
still glad to recommand Decades Kidney Fills
and every word I said in my former statement
is true. I find Decade a rainable remody to
use in the spring of the year, for they regulate
my kidneys."
